

TREE & STEM RACK

Tree & Stem Rack is an easily movable presentation rack for trees and stem crops, aiding the important flow of sales in retail.

What are the most important reasons to start using Tree & Stem Rack?

- You can present your most important trees and stem crops in the best commercial spot.
- When presented in the Tree & Stem Rack, **your trees and crops stay fresh and healthy much longer.**
- Tree & Stem Rack is not heavy, is easily movable and you don't even need to attach it to your floor.
- **All sizes and shapes of pots can be used in Tree & Stem Rack.**
- Because of the flexibility of Tree & Stem Rack, it is very windproof.
- The wires and sheet metal have been coated with a high-quality zinc layer, which ensures longevity.
- The soft tree-binders prevent damage to the stems during rough winds.

Tree & Stem Rack – Medium:

- Measures 1.6m L x 1.03m H x 0.68m W, the Tree & Stem Rack - Medium fits in most (lowered) selling tables.
- In combination with the Side Supports, Tree & Stem Rack - Medium is also suitable for presenting climbing ivy and all types of stem crops.
- The side supports can be easily attached and removed.
- The basic set is equipped with 10 pieces of soft binders.
- The side supports are equipped with 3 plastic clips per support.

Tree & Stem Rack – Large:

- Tree & Stem Rack - Large is meant for taller trees, depending on the size of the tree.
- Measures 2.02m L x 1.5m H x 0.68m W
- Tree & Stem Rack - Large equipped with 8 soft binders, 4 binders on each side.

Accessories (optional):
